Re: *Desclafani v. Pave-Mark Corp. et al.*
Case No. 07 CIV 4639 (SHS)(HP)

Dear Judge Fox:

I, as counsel for Defendants Stimsonite Corporation and Avery Dennison Corporation, have spoken with Jason Rubin, counsel for Plaintiff, regarding the settlement conference set in the listed matter for August 5. Please recall that we have moved the settlement conference previously based on the pendency of a summary judgment motion regarding Plaintiff's successor-liability claims. Upon the parties' motion, the court stayed discovery pending a ruling on the motion for summary judgment. The summary judgment motion remains pending.

In that light, the parties have conferred and believe that the mediation conference now would not be productive. Thus, we respectfully ask that the court adjourn the mediation until some date in the autumn so that we might receive a ruling on the pending motion in the interim.

As always, thank you for your consideration in this matter.

The settlement conference
previously scheduled for August 5, 2008,
will be held on October 29, 2008, at
